Innisfree Delnorte School News

By the time this newsletter is read Graduation exercises for the school will be over. The students are ready and excited with all the preparations for the big day!

In May the school is quickly moving into nicer weather, we hope, and we start the last of the major sports in our calendar: Track and Field. Grades 1-9 will have their Track and Field day on May 20 with the alternate day May 22.

The Grade 10 students will be attending the annual "Try a Trade" held in Lloydminster on May 7.

Grade 9 and 10's will be heading to Drumheller for the Leadership Conference on May 11-13.

Swimming for Grades 1-6 will be starting at the end of the month.

As you can see it will be a busy May at the school. Hope every-one will have a great Victoria long weekend getting their gar-dens planted.

Mayor's Report

April was an exciting month as we welcomed Dr. Richard Starke to the Village of Innisfree Library to present a cheque for renovations. And Leon Beniot came to present cheques to the Village of Innisfree and the Library to build ramps to improve the accessibility of two buildings in the Village. I am extremely pleased to have these projects in the Village this year.

April also brought to attention the Volunteers of our community. These people have made such a difference. Everything from fire protection, to children's play and recreation and adult exercises and beautification of our community. Volunteers can be proud of their work.

Curling has ended for another year. Garage sales will be seen all over town May 10. Come out and look for those really great deals or just have a coffee and lunch at the Library that day. Mother's Day will be busy, too with the Breakfast at the Rec Centre and the final church service in the United Church also. The May long weekend will see the Campground and the Museum opening for the summer season. The Cemetery Association will be restructuring with some new faces on the board. Great job folks.

Curtis Anderson is organising the Courage Canada Trail Ride the end of May. Curtis, you have done a great job over the years and this event seems to get better every year. I hope the weather co-operates to make the ride an enjoyable one.

At Village council we look forward to the audited financial statement being completed during the month and to see exactly how the past year "panned out."

Anyone interested in a flower barrel this year? Please contact Jennifer at the Village Office to be sure you don't miss out. Weather permitting we will be able to plant the barrels by the long weekend.

Do you have any pictures taken during the filming of the movie "Cutbank"? We would like to put together a collage of the activities that took place last year. We are also anxiously waiting for the film to be released. No word as to when this will happen.

May's Quoteable Quotes:

"Always do right. This will gratify some people and astonish the rest." Mark Twain

"If you want to succeed you should strike out on new paths, rather than travel the worn paths of accepted success." John D. Rockefeller

My take on these is: Be astonishing with your success!

Have a great month.

INNISFREE CEMETERY ASSOCIATION

The Innisfree Municipal Cemetery is a non-denominational cemetery serving our community and rural residents. For many years our community had an active cemetery association, but like many other small communities, sustaining the association became difficult, and the task of cemetery management fell to a few dedicated individuals. Early in 2013, our Village Council determined the need for a new cemetery association to ensure the safe storage of records, update and verify the accuracy of records, develop relevant bylaws that revisit the outdated fee and operational structures, and oversee a series of necessary improvements to the cemetery.

A group of willing and able community members have been recruited to serve as board members of the Innisfree Municipal Cemetery Association (IMCA): **Dwayne Sangster, Derrick Saskiw, Tina Lindballe, Terry Caesar, Linda Myshaniuk,** a Village Council representative to be named, and a project manager in an advisory capacity, **Sheila Whitmore.** Board members will serve for a term of two years.

The board would like to extend an invitation to any interested resident of our community or surrounding rural area to join the association.

When cemetery bylaws have been developed and adopted by Village Council, they will be posted in an issue of the Innisfree Informer. A set of board initiatives and responsibilities will be posted as well.

The condition of our municipal cemetery reflects our love and respect for those who helped to build our community in years past. While there are sufficient funds in the current cemetery account to allow for paid summer maintenance, the IMCA has decided to host the **First Annual Innisfree Municipal Cemetery Maintenance Day, Saturday, May 31, 1:00 pm - 4:00.** Please come to the cemetery prepared to help with lawn mowing, raking, pruning and sweeping and bring the necessary tools and equipment if you have them. Please come prepared to participate safely, bring gloves, safety glasses, and wear closed toe shoes or work boots. IMCC board members will be on hand to help, and to take your suggestions and discuss the work we hope to accomplish as an association board.

Courage Canada Trail Ride – May 31

Hello Everyone,

I would like to invite everyone to the 10th anniversary of the Courage Canada Trail Rise to support Brain Injury Awareness. This year our MC is Jackie Rae from 790 CFCW. Recording artist Eli Barsi will be providing some real Cowboy Music for everyone after supper. Eli has a song called Just Call Him Cowboy and we put together pictures of me bull riding, trail riding, speaking and different activities with my left arm. If you go on YouTube and type in curtisanderson it will take you to a video.

In the past 9 years the Courage Canada Trail Ride has raised $100,000.00 to help brain injury survivors and their families from day 1. The ride also supports the Canadian Pro Rodeo Sports Medicine Team.

My family and I would like to thank everyone who has supported the Courage Canada Trail Ride.

My name is Aaron Friesen. I'm a grade 10 student at Innisfree Delnorte School. From one of the first days of my life I've had spastic bilateral cerebral palsy. This medical condition affects my legs. I've had six surgeries on my leg, and will probably have to have more.

I am entering a contest to win a wheelchair accessible van. If I get this van I'll finally be the independent person I want to be. To win this van I'll need a lot of people to vote for me. If you go to mobilityawarenessmonth.com you'll be able to see my full story, and ***please*** while you're on that website vote for me too. The same E-mail address can vote every 24 hours. Voting starts March 11 and ends May 9.

Thank You.
