Mayor's Report

It has finally arrived! Summer that is. With all the rain, everything is lush and green. Hugh has been busy keeping up with the grass and has done a great job at that. I applaud our residents for their part in making our village look wonderful. It seems like it was a long time ago that the ground was white.

We have much to show to our families and friends when they come to town. Why not head down to the Recreation Park for a picnic or a play a little catch or softball on the ball diamonds. Or take a stroll through the park on the trails. There will be a treat waiting for you in the campground office. Tom & Alice have a well-stocked treat centre. (At a reasonable price of course.)

Or head out to the fish pod and cast your rod and catch a fish for supper. The water at Wapasu should soon be ready for a swim and stay for a wiener roast in their fire pits.

The Museum is open for visitors. We need more people to volunteer to host these visitors. If you can spare some time come and see me or Jennifer at the Village office.

The museum is open Tuesday to Sunday from 10:00 a.m. to 2:00 p.m. There is so much information to read and see. There are some new items for those who have not been there for a while.

The Village will be doing some repairs this summer around the village. We hope these will not inconvenience you too much. We believe the report from the Municipal inspection should be presented sometime in July, the date to be announced later. Watch for posters for dates and times.

The children out of school for the summer vacation but remember to slow down past the school. Children are going to the playground on the west side of the school and there are children's activities planned over the summer at the library and the Millennium Building. So please watch for them in this area.

The 34th Annual Agricultural Fair and Horse Show is coming up on August 13. The fair books are out and you can pick one up at the Village office or the post office lobby.

There will be a soap box derby car building workshop in July. Look for the information in this issue of the Informer. Make your racer now and be ready for the derby on fair day.

There will be the annual slow pitch ball tournament July 18-20 at the Innisfree Recreation Park Ball Diamonds. There will be some pretty good games played that weekend, so go down and catch a game or two.

Enjoy the sun and longer days with your family and friends.

Innisfree Cemetery Committee Update

Updating the cemetery records is proceeding well. Trudy Shukalak and Dave Marynowich at the County of Minburn office have been very helpful and we now have a clear idea of those areas of responsibility that are the village's and the Cemetery Committee's , and those that are the County's. Plans are underway to publish a set of Cemetery Regulations by the summer's end, and to move copies of our records and maps to an electronic format to ensure we have backup copies of all our paper records. The 1954 map doesn't conform to the current cemetery layout, so a request will be made to the County to survey the grounds in order to give us an updated map.

If you've been at, or driven past, the cemetery lately, no doubt you noticed how nice the grounds look. Jennifer Johnson and helper Vi Mitchell have been given the job of mowing and weed whipping the grounds. We've been pruning a few of the overgrown maples and spruces to allow easier access for the mowers as well

A huge thank you goes out to the kind and generous organizations and people who sent donations to the Cemetery Fund this month. As well, the County's yearly contribution of $500 toward the operation and maintenance of the cemetery has been received. It was especially nice to see Harry Hlus drive out to the cemetery this month. Harry kept the records and grounds for many years and still takes an interest in seeing that the grounds are maintained even though he no longer resides in the village. If you wish to make a donation to the Cemetery Fund, please see Jennifer Hodel at the Village Office or Sheila Whitmore.

The Cemetery Committee will be recommending a new fee structure to Village Council this fall. For many years now, plots at the Innisfree Cemetery have been priced at $130 each, but that price needs to be adjusted to reflect the rising costs of maintenance and improvements. If you have any comments or suggestions to make, please call.

The next meeting of the Cemetery Committee will be July 30, 7:00 pm at the Village Office and as always, our meetings are open to anyone who wishes to attend.
